

International Craniofacial Academy
Comprehensive Implant Training Programme

INTERNATIONAL CRANIOFACIAL ACADEMY DENTAL IMPLANT COURSE

CURRICULUM: BASIC IMPLANT COURSE----- December 9th and 10th, 2022

DAY 1			
S/N	LECTURE TOPIC	TIME	DURATION
1.	Welcome, introduction of participants and Faculties	8.30 -8.40am	10mins
2.	Science of Implantology: Osseointegration and bone biology	8.40– 9.00am	20 mins
3.	Indications and Contraindications, Patient selection and consent taking	9.00– 9.20am	20 mins
4.	Imaging (OPG,CT Scan / X rays) & Model analysis	9.20 -9.40am	20mins
5	Treatment planning & Rehabilitation options	9.40–10.00am	20mins
6.	TEA BREAK	10.00-10.30am	30 mins
7	Surgical Protocol for soft/dense bone types.	10.30am - 10.50am	20mins
8.	Surgical Template/ Guided surgery.	10.50-11.10	20mins
9.	Case planning with participants - Discussion with Radiographs & Models	11.10-11.30am	20mins
10.	Video demonstration of implant placement procedure	11.30am – 12.10pm	40 mins
11.	Hand-on on Models	12.10 – 1.30pm	1hour 20 mins
LUNCH BREAK		1.30 – 2.30pm	1 hour
12.	Live Surgical demonstration	2.30 -4.30pm	1.5hours
13.	Participants work on patients under supervision (Batch 1 lead)	4.30 – 5.30pm	2hours
END OF DAY 1			
DAY 2			
1.	Wrap up of Day 1 Events	8.30 -8.40am	10mins
2.	Overview of soft tissue management in implant therapy	8.40– 9.00am	20 mins
3.	Familiarization of participants with Prosthetic armamentarium, components, and accessories	9.00– 9.20am	20 mins
4.	Implant occlusion and impression Techniques and Temporisation	9.20 -9.40am	20mins
5.	Second stage surgery and video demonstration	9.40–10.00am	20mins
	TEA BREAK	10.00-10.30am	30 mins

6	Implant prosthetic procedures and video demonstration	10.30am - 10.50am	20mins
7	Final stage- Delivery of implant superstructure & Introduction of implant systems	10.50-11.10	20mins
8.	Overview of Aftercare, Complications & failures – How to avoid pitfalls	11.10-11.30am	20min
9	Practical – i. Familiarization of participants with Prosthetic armamentarium, components, and accessories ii. Demonstration of impression techniques on models	11.30-1.00am	1hr 30mins
	LUNCH BREAK	1.00-2.00pm	1hr
10	Participants work on patients under supervision (Batch 2 lead)	2.00-4.30pm	2.5hrs
11	Overview of bone and soft tissue grafting	4.30-4.50pm	20mins
12	Question & Answers	4.50 -5.10pm	20mins
13	Closing, certificate distribution and departure	5.10pm	
END OF DAY 2
